Any of the Intl.SOS Assistance Centers may contact you as a Provider directly in the context of such services. Intl.SOS wants to make sure that Providers are properly compensated for the services they provide to Intl.SOS clients. To achieve this, Providers must ensure they have carefully read and follow the instructions received from Intl.SOS, as the activation and claims processes may differ slightly.

WHO ARE OUR CLIENTS AND WHAT IS A “SUBSCRIBER”?

Intl.SOS Group of Companies is trusted by over 12,000 global clients, including governments, multi-national corporate clients, mid-size enterprises, educational institutions, and NGOs. Intl.SOS offers a wide range of subscription services to various corporate clients, who purchase Health and/or Security Assistance subscription services to cover a given population of their employees (“Subscribers”). The terms of each Subscription may vary by client.

Pursuant to their employer’s Subscription with Intl.SOS, individual employees of such clients (Subscribers) may contact Intl.SOS to seek health or security assistance and other services. Intl.SOS will support these Subscribers, often by referring them to our network of Providers.

WHEN WILL AN Intl.SOS ASSISTANCE CENTRE CONTACT YOU?

- o To schedule an appointment on behalf of one of its Subscribers.
- o To advise the Provider about a Subscriber requiring urgent assistance and/or admission.
- o To make the necessary arrangement for payment of services on behalf of our Subscribers.
- o To ask you for verbal and/or written reports so that we can keep our relevant corporate clients, the Subscriber’s families or the Subscriber’s insurers informed. Intl.SOS will generally obtain authorization from a Subscriber to release medical and other personal information before contacting a Provider’s treating medical officer is asked for an update.
- o To schedule a service or deliverable on behalf of its Subscribers.
- o Where there is an information requirement relating to the situation in-county.

WHEN SHOULD I CALL AN Intl.SOS ASSISTANCE CENTRE?

Individual Subscribers or Managers within a client’s organization generally contact Intl.SOS prior to seeking health or security assistance from our network of Providers, allowing us to make the necessary arrangements in advance. Providers are kindly requested to contact Intl.SOS:

- o In the event of an emergency where a Subscriber arrives without a referral from Intl.SOS, and claims that they are covered by an Intl.SOS Subscription.
- o In the event the Provider wishes to request a written Guarantee of Payment (“GOP”) with respect to anticipated costs and fees the Provider may incur in providing requested services or support (“Services”) to a Subscriber.
- o In the event of a Subscriber presenting himself / herself directly to schedule an appointment as a Subscriber of Intl.SOS - without a GOP the Provider should confirm if Intl.SOS will be issuing a GOP. Services covered should be confirmed on a case-by-case basis.
- o In the event of a Subscriber or client contacting a Provider directly regarding a Service which Intl.SOS has already engaged the Provider on.
- o To confirm that specific Services being requested by a Subscriber are covered by the relevant subscription (on a case by case basis).
- o To request an updated GOP from Intl.SOS should the expenses exceed the amount originally approved.

WHAT INFORMATION IS REQUIRED WHEN CONTACTING AN Intl.SOS ASSISTANCE CENTRE?

When contacting Intl.SOS, please have the following information at hand:

- o Subscriber’s or client’s full name contact number and ID / Passport number;
- o Name of the Subscriber’s employer (i.e. Intl.SOS’s client);
- o Name and contact number of the treating medical officer;
- o Medical treatment / special examinations required;
- o Current medical condition of the Subscriber;
- o Current status of the security task and relevant case number if known.

The Provider may also use any of the phone numbers specified on the Subscription card to contact Intl.SOS. For prompt responses to case related or payment queries, the Provider should refer to the contact details on the GOP.

WHAT IS A GUARANTEE OF PAYMENT (“GOP”) LETTER?

A GOP is a formal written contract whereby Intl.SOS guarantee to pay the Provider on behalf of our client for the expenses incurred by Subscribers according to the terms and conditions stipulated in the document. Intl.SOS act as the intermediary to process the Provider’s invoices and facilitate payment thereof, as paying agent acting on behalf of our client.

WHAT HAPPENS WHEN Intl.SOS PROVIDES A GOP?

Where Intl.SOS provides a GOP on behalf of a client, the Services, amounts and individuals covered by the client’s subscription with Intl.SOS’ are confirmed to the Provider in writing. The GOP will be sent to the Provider, explaining the process of invoicing. Intl.SOS may set a limit on the fees which will be covered by the GOP.

The terms and Services covered for each Subscription or Service agreement vary and should be confirmed on a case-by-case basis. In some cases, the Subscriber may need to pay a certain amount directly to the Provider, and in some cases Intl.SOS will not provide a GOP. The Services to be covered (or excluded) and the fee limit are stipulated in the GOP letter.

Once you are ready to invoice the Services covered by the GOP, please send your original invoice to Intl.SOS according to the instructions provided on the GOP. Intl.SOS acts as the intermediary to process the Provider’s invoices and facilitate payment thereof, as paying agent acting on behalf of our client.

DOES Intl.SOS GOP COVER ALL SERVICES RENDERED?

The Services covered by a GOP vary from client to client and should be confirmed on a case by case basis. The Services to be covered (or excluded) and fee limits are stipulated in the GOP letter.

If the fees charged exceed the specified GOP amount, the GOP will not cover reimbursement to the Provider of the excess unless the Provider informs Intl.SOS in advance and receives an increase in the approved amount before incurring additional expenses. If approved, the Provider will receive a revised GOP.

WHAT HAPPENS WHEN Intl.SOS DOES NOT PROVIDE A GUARANTEE OF PAYMENT?

If Intl.SOS does not provide a GOP on behalf of a client, Intl.SOS will advise the Provider of the entity or person who will cover the costs of the Services, and where applicable, an appropriate guarantor. In some cases, this may be an insurance company or the Subscriber (s) or client(s) themselves.

Intl.SOS will not be responsible for costs incurred by a Subscriber or client if Intl.SOS did not issue a GOP on behalf of the client. The Provider is also not obligated to extend discounts agreed with Intl.SOS to the Subscriber(s) or client(s) in such cases.

WHERE DO I SUBMIT MY INVOICES TO?

Please submit your invoice electronically as instructed in the GOP document. Invoices should be addressed directly to the Intl.SOS legal entity as it is stated in the GOP letter.

WHEN CAN I EXPECT PAYMENT FOR INVOICES SUBMITTED TO Intl.SOS?

Intl.SOS act as the intermediary to process the Provider's invoices and facilitate payment thereof, as paying agent acting on behalf of our client. Payments are made according to credit terms agreed with you from the date the invoice is received in the next payment run. Where we do not have a written agreement, payment will be made 45 days from date of receipt of the invoice, in the next payment run. Payments will only be made for services authorized in the GOP letter.

Delays in payment may occur due to the Provider's failure to meet the minimum criteria for submitting invoices to Intl.SOS and/or where Providers fail to follow the instructions included in the GOP letter.

WHAT IS REQUIRED FOR TIMELY PAYMENT? WHAT ARE THE MINIMUM CRITERIA FOR SUBMITTING INVOICES TO Intl.SOS?

- o Intl.SOS requires a clear electronic copy of the invoice sent to the email address stated on the GOP. If this is not possible, the Provider should courier or post the paper format invoice to the address stipulated on the GOP. Sending invoices in paper format could extend the payment timeline.
- o Invoices should be submitted to the correct Intl.SOS legal entity and addressed as it is stated on the GOP and/or directly to the Subscriber where indicated as such.
- o Invoices must be clear and legible, adhering to the amount limit and instructions stated on the GOP.
